

## ESD mat insert

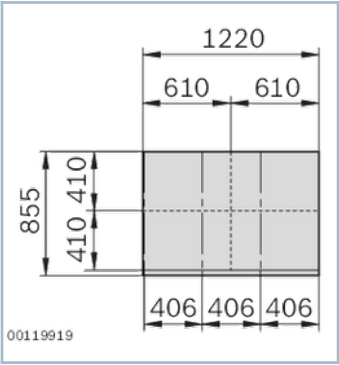

- ESD mat insert for protecting ESD-sensitive components
- To create a safe, conductive connection, e.g. to ESD material shelves, we recommend using adhesive copper tape

# Technical data

|                         |                                       |
|-------------------------|---------------------------------------|
| Material                | rubber (thickness: 2 mm)              |
| Conduction resistance R | 10 <sup>4</sup> ... 10 <sup>9</sup> Ω |

# Dimensions
