

Lean Conveyor Tracks with Rail Holder

- Aluminum U-profile conveyor track
- Conveyor media for every requirement:
 - rollers with or without roller flange. 4 colors serve for visualization of supply (kanban) or from good/reject parts.
 - Roller elements with and without roller flange (RE45, RE45SK)
 - Slide rails with or without integrated lateral guide

- Rail holders for suspending to tubular cross tie
- Available as ESD-conductive version (U-profile: aluminum plain)

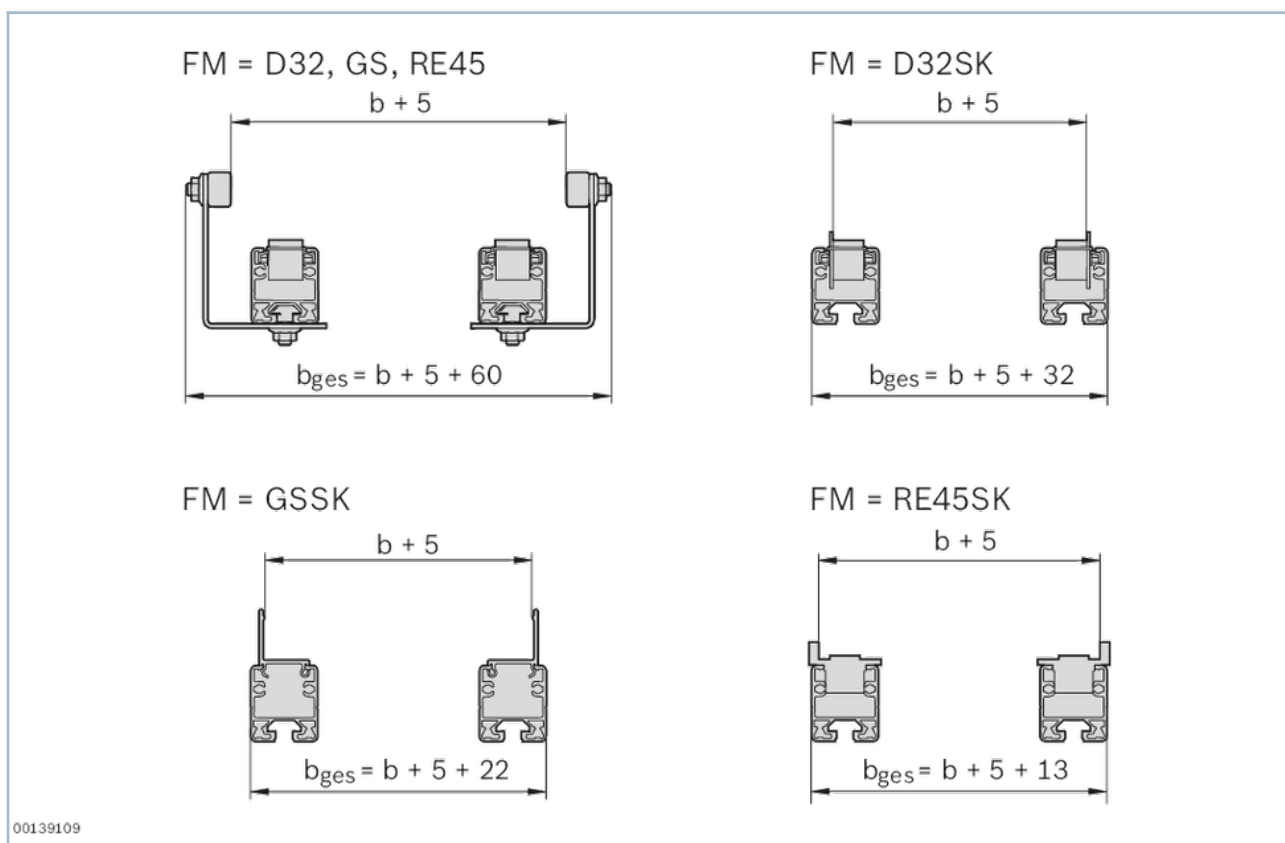

Product description

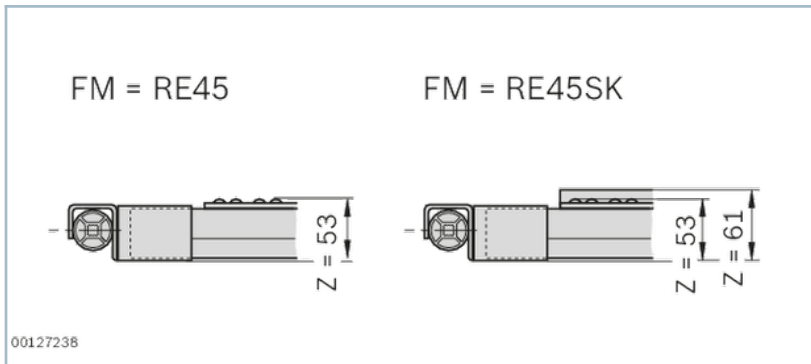

Flow rack systems

Technical data

Conveyor tracks with and without lateral guide

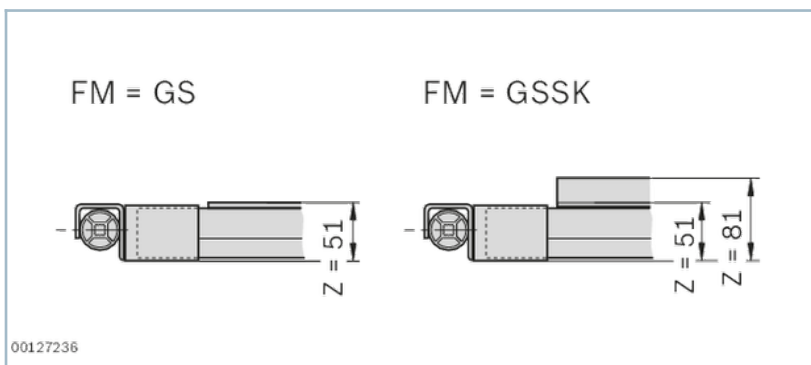

Conveyor track Lean with rail holder

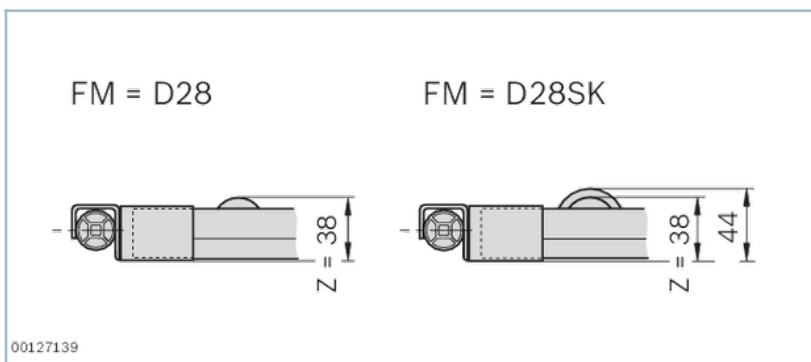

1) Roller elements with and without roller flange.

Conveyor track Lean with rail holder

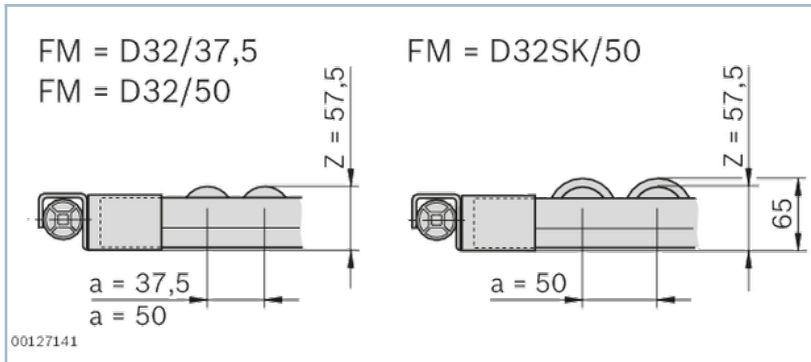

1) Slide rail with and without roller flange.
