

Lean Conveyor Track with Stop Plates

- Aluminum U-profile conveyor track
- Conveyor media for every requirement:
 - rollers with or without roller flange. 4 colors serve for visualization of supply (kanban) or from good/reject parts.
 - Roller elements with and without roller flange (RE45, RE45SK)
 - Slide rails with or without integrated lateral guide

- Applications include the manual linking of workstations
- Available as ESD-conductive version (U-profile: aluminum plain)

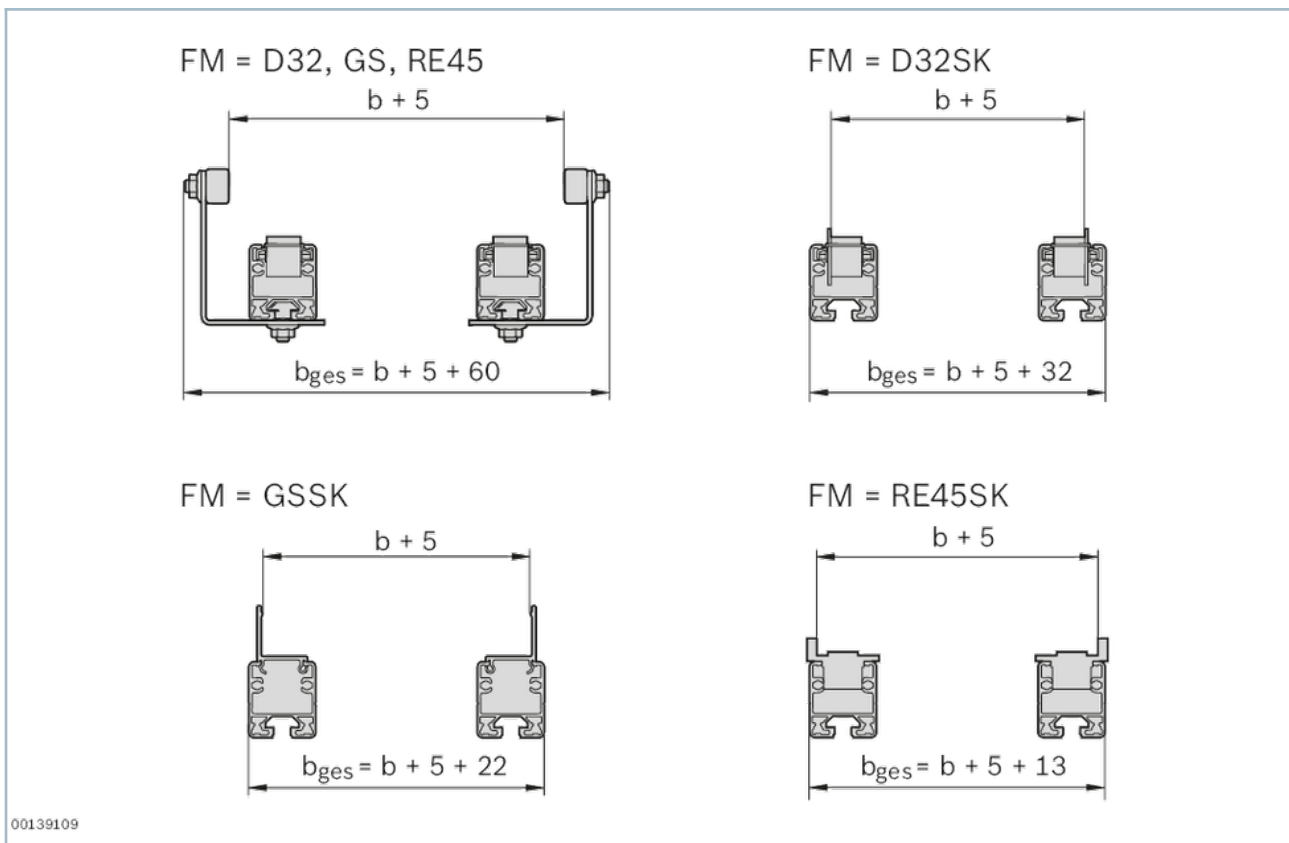

Product description

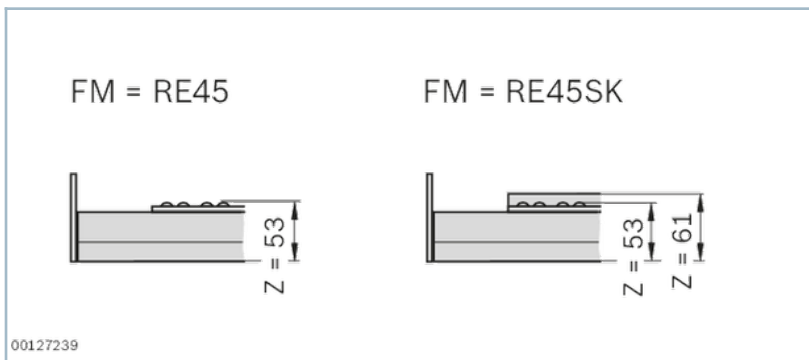

Flow rack systems

Technical data
